Washington,
D.C.

Gentlemen:

We note in your decisions that you have ruled
"Choiskai Mts." shall be spelled "Chuska Mountains." Will
you kindly advise concerning the spelling of "Choiskai Peak"
of which no mention is made. Is this to be changed to agree
with the change in ^{the} Mountain?

Thanking you in advance for this favor, we remain,

Yours very truly,

Rand McNally & Co.
